

**NOTICE**

**Sub : Onam**

13.09.2024

It's true that Onam is a traditional festival of Kerala and is celebrated with pomp and gaiety.

But in view of the expression of compassion towards those who are suffering due to the recent Wayanad disaster, this year our campus is not celebrating Onam. There will also be a Prayer to Offer Adharanjali to the departed soul of Sri. Amal, K.S., our student who passed away on 10<sup>th</sup> September and for the solace of bereaved members of his family

Still to adore and respect the tradition and to pray for those who are suffering, we will have a get together of students and staff in front of a common Pookalam to be laid by the staff.

We will be distributing sweets to the students as an offering.

Faculty will be presenting dress and gifts to the families of supporting, non-teaching and field staff of the campus. The food and clothing will be distributed to selected deserving poor people as an outreach, outside the campus in a selected place.

This is to inform all the students and their parents that the Institution has not authorized or permitted any student or outside organization to conduct Onam celebration for participation by our students.

If any student or group of students are involved in such celebration outside the campus, Institution will not be responsible. Parents are requested to kindly inform their wards not to indulge or participate in such activities happening outside.

Seeking the utmost cooperation from everyone.

Pranams and Prayers in Amrita service,

**Dr. U. Krishnakumar**
